ThriveCast is a growth platform that connects you with the opportunities and people to thrive in life.
Focused on Growth & Impact

We are committed to people's growth and impact goals, optimizing for three key outcomes:

Personal Growth
Offering connected growth opportunities designed to support members in making progress on important life journeys.

Meaningful Connections
Cultivating connections among your community as people share, connect, and support each other's growth.

Core Commitments

- Make it easy for anyone to connect to real-world opportunities for growth and impact.
- Make it easy for anyone to connect with the people and ideas to succeed in their growth.
- Make it easy for anyone to support the growth and impact of another.
- Make it easy for anyone to convert what they know into growth opportunities.

World Impact
Supporting members in creating real-world value, applying their growth to achieve goals that are important to them.
Members pursue connected learning opportunities as part of a community invested in creating and sharing stories of impact.
Growing Your Potential to Thrive

Connecting each one of us to the opportunities, people, and content to ensure that we become all we were meant to be.

User-Aware Feed
Curated invites connecting individuals to opportunities that are of interest to them.

Growth & Impact Cycle
Structured invitations to support anyone being on-journey with the ability to thrive.

Thematic Collections
Themed bundles of Challenges targeted towards Micro-certifications that have real-world value.

Members pursue thrive opportunities, referring to structured invitations to grow in a topic area. Each opportunity includes peer examples, growth activities, success criteria, and community feedback.
Lifelab Studios Partnership Process

Lifelab Studios has developed an agile design process to maximize the value of the platform for your community.

We are ready to assist your organization by providing enhanced services, including mapping desired growth, co-designing growth opportunities, training your staff, and optimizing products and services for scaled impact.
